

For Distribution

Field trips do not require Board Staff approval. The current rule provision allows school to manage 20% of the student curriculum in alternative format and location. Field trips are one type of alternative format and location. (see reference below)

Scheduling visits of the board facilities during Board meetings is necessary to accommodate seating and to insure availability of examination facilities and staff.

R4-10-306 Curricula Hours

- F. Alternative learning hours are hours that a school may authorize to enable a student to pursue knowledge of cosmetology in an alternative format or location other than a salon. A school shall not credit a student with more than 20% of the total hours required for graduation, earned during enrollment at the school, as alternative learning hours.
